

Bands and Musicians Wanted!

Looking for bands to send in music video's or video performances to be broadcast on our worldwide web-cast at 10 PM - 9 AM November 30th and December 1st, hosted by TeenAIDS. We are the leading non-profit organization helping teens learn about HIV/AIDS and we need your band's help as volunteers in this battle. We are interested in good music that teens and college youth prefer. If selected, your band will receive international recognition and the bragging rights to say that you were a part of the largest webcast for teens that MTV's "Staying Alive" campaign is promoting on its website.

We are also holding a live Rock Against AIDS Concert in April with a date to be announced. If you are interested please specify on the form.
